Product Introduction of Everpal® Kids Sandals Boy

This water-friendly material can be worn in or out of the drink so your good time doesn't stop to worry about ruining the shoes. A back ankle strap keeps them in place so you don't have to worry about their falling off, either. These versatile sandals combine comfort, fashion, and functionality, so they're perfect for wearing to the beach, splashing in the sea, pounding the pavement, or just hanging out.
